

## **Requirements for a Minor in Psychology**

- Twelve (12) semester hours of psychology, including PSY2012, are required for a minor in psychology. A minimum of six (6) of the required hours must be completed at Florida State University. Grades below a 'C-' will not be accepted for credit toward the minor. Courses taken pass/fail (s/u) cannot count toward the minor. Courses with a WST prefix also cannot count toward a psychology minor.

NOTE:

- No courses used to satisfy Liberal Studies requirements may also count toward the minor.
