

The 19th Annual North Florida Brain Bee

Explore the Mysteries of the Human Brain

Presented by the Neuroscience Program at Florida State University

Dive into Neuroscience

Are you a student what has ever wondered what makes you who you are? Why there is a blind spot in your vision? Why spinning around makes you dizzy? If so, you may have a growing interest in the field of neuroscience and have the chance to participate in the North Florida Brain Bee!

This competition enables interested students to begin learning about the brain and thinking about the possibility of a future career in neuroscience.

What is the Brain Bee?

This is a live Q&A competition that tests the neuroscience knowledge of high school students. Students compete to determine who has the “best brain” on such topics as intelligence, learning, memory, emotions, sensations, aging, sleep, addiction, and neuroanatomy. Participants can this material by using “Brain Facts” and other resources that are available at

<https://neuro.fsu.edu/events/bee>

The winner of the North Florida Brain Bee competition will travel to the National Brain Bee Competition. The Neuroscience Program at FSU will try to provide some supper with the travel expenses and lodging. In addition, the top 3 place winners will be awarded with a cash prize.

How to register

Interested students should complete the registration form on page 2 and return it via email. If you have competed in the North Florida Brain Bee in the past and won the competition, you may participate, but you will be unable to win an additional time.

The North Florida Brain Bee will be held on
Saturday, March 23th, 2024, at 10:00 AM

Study Sessions Thursdays February 1st – March 21st, 2024, at 5:30pm

FLORIDA STATE UNIVERSITY

PROGRAM IN **NEUROSCIENCE**

Registration is free for all interested high school students. The main goal of the Brain Bee is to allow all interested students to be exposed to the field of neuroscience and the opportunity to compete in the International Brain Bee.

The 19th Annual North Florida Brain Bee Registration
Form

Name _____ Phone Number _____

Home Address _____

E-mail _____ Grade Level _____

School Name _____

Teacher Name _____

Parent signature _____

Please indicate whether we may take pictures of your child at the event:

___ Yes

___ No

Parent signature _____

Please return this registration form ASAP to Austin Werner via email at:
awerner@bio.fsu.edu

Event is a hybrid event (offered in person and via zoom)
